The Catholic Communicator

A newsletter for the supporters and listeners of Catholic Radio in South Carolina

40 Days for Life Campaign - Continues thru November 5

Our community is once again uniting with hundreds of others around the world for the largest and longest coordinated pro-life mobilization in history: the 40 Days for Life campaign. People of faith are praying that this effort will help bring an end to the tragedy of abortion.

40 Days for Life is made up of three components:

Prayer and Fasting: Believers throughout our Diocese are invited to join together for 40 days of fervent prayer and fasting for an end to abortion.

Peaceful Vigil: Stand for life during a 40-day peaceful public witness outside the Greenville Women's Clinic at 1142 Grove Road in Greenville, the Charleston Women's Medical Center at 1312 Ashley River Road in Charleston or Planned Parenthood at 2712 Middleburg Drive #107 in Columbia, South Carolina.

Community Outreach: Help take a positive, upbeat, pro-life message to every corner of our diocese through media efforts, advocacy, and public visibility. To learn how you can speak up for those who cannot speak for themselves, visit the following websites:

Irma Impacts Catholic Radio

Sept. 11, 2017 - Due to storm surges associated with Hurricane/Tropical Storm Irma, flooding occurred at the transmitter/antenna site for two stations housed near the coast. Mediatrix SC Inc.'s WLTQ 730 AM broadcasting from Charleston, SC applied for silent authority with the FCC on September, 11, 2017. Likewise, Blessed Sacrament Catholic School's WMHE-LP 102.9 FM also applied for silent authority. Note: the school's low power FM contracts space on WLTQ's antenna site.

After water levels began receding, it still took some time before the equipment, most of which was evacuated from the site, could be restored to working order. WLTQ returned to partial power broadcast by Saturday afternoon, September 23. WMHE-LP was fully restored on the same day.

John Paul II Catholic School's new Catholic Radio station, WXJP-LP 94.9 FM which covers Bluffton and much of Hilton Head, weathered the storms much better. It is housed in a commercial radio facility and it is the only Catholic Radio station which currently has a back-up generator. So, besides a momentary glitch during the switch to the generator, this low power FM stayed on the air the whole time.
